Principal shall be payable in one hundred and seven (107) equal monthly installments of Twenty-Two Thousand Five Hundred Fifty-Nine and Thirty-One One-Hundredths (\$22,559.31) Dollars on the first day of each and every month commencing October 1, 1990. A final principal payment shall be payable in the amount of Twenty-Two Thousand Five Hundred Fifty-Nine and Eighty-Three One-Hundredths (\$22,559.83) Dollars on September 1, 1999. Together with each monthly principal payment, Borrower shall also pay interest on the outstanding principal, monthly in arrears, at the rate set forth below.

If not sooner paid, the entire amount of all principal and interest under this Note shall be fully due and payable on September 1, 1999, (hereinafter referred to as the "Due Date") subject to the provisions for acceleration of the due date for payment as herein provided.

The outstanding balance of this Note shall bear interest from the date hereof until the Due Date, or until earlier paid, whether by acceleration or otherwise, at a variable interest rate always equal to one (1%) percentage point in excess of the Prime Rate (as hereinafter defined) on a floating basis. The term, "Prime Rate", shall mean the prime rate of interest of Citibank, New York, as announced from time to time by said Citibank; provided, however, that if the aforesaid prime rate

Exhibit A

This Note shall bear interest at an initial rate of eleven percent (11.00%) per annum; accrued interest shall be paid monthly in arrears on the first day of each month commencing October 1, 1990. Each payment shall be applied first to the payment of interest on the unpaid balance of the principal at the rate herein provided and thereafter to the principal. Interest shall be computed on the basis of a 360-day year for the actual number of days elapsed on all sums advanced hereunder until such sums are fully paid.

If any payment of interest and/or principal is not received by Bank by the tenth (10th) day of the month, Borrower shall pay a late charge of five (5%) percent of the monthly overdue payment. In the event of any default, the interest rate on this Note shall increase by two (2%) percent over the rate then in effect on the date of default, on a floating basis, during the term of the default, which rate shall be applicable in the event of the entry of any judgment upon the Note or a judgment of foreclosure of the mortgage.

II. SECURITY INTEREST

1. The Holder hereof shall have a lien on, a security interest in, and during the existence of an Event of Default (as hereinafter defined), an option to set off, all deposits of the Borrower as allowed by law, at any time, in any checking, savings, or other account with Holder, in any order, against the indebtedness, without prior demand or notice, regardless of the adequacy of any collateral securing all or part of the indebtedness, and without resort to any legal process or judicial proceedings, or other authorization.

III. EVENTS OF DEFAULT; ACCELERATION

Upon failure to make any payment within ten (10) days of the due date thereof, or upon failure to perform any other obligation of the Borrower to the Holder under any instrument or document evidencing, governing or securing this Note or in the payment or performance of any other obligation whether evidenced by any agreement or instrument or otherwise, or in the event of any proceedings being instituted by or against the Borrower under any laws relating to bankruptcy, insolvency,

receivership, or arrangements with creditors (each of which is hereinafter called an "Event of Default"), or in the event that title or any interest in the premises mortgaged to secure the indebtedness is transferred to anyone other than the Borrower hereunder, thereupon, or at any time thereafter (such default not having previously been cured), the Holder may, without notice or demand, declare the indebtedness to be immediately due and payable. Failure to exercise such option shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

IV. NON-WAIVER BY HOLDER; SEVERABILITY

No modification or amendment hereof shall be effective unless in writing. No extension of time for payment, delay in enforcement hereof, nor any renewal of this Note, whether with or without notice, shall operate as a waiver of any rights hereunder or release or alter the obligations of the Borrower. No failure by Holder to enforce any of its rights hereunder or partial enforcement thereof, shall constitute a waiver thereof, or preclude the subsequent enforcement of such rights in the same or similar circumstances.

In the event that any provision hereof shall be found to be invalid or unenforceable under applicable law, such provision shall be invalid or unenforceable only to that extent and such invalidity or unenforceability shall not affect the remaining provisions of this Note.

V. JOINT AND SEVERAL OBLIGATION

This Note and all obligations hereunder shall be the joint and several obligations of all makers, and each provision hereof shall apply to each and all jointly and severally.

VI. COMMERCIAL TRANSACTION; WAIVER BY BORROWER

2. Borrower represents and warrants to the Holder that all proceeds of this loan are to be used for commercial purposes, and none of such proceeds shall be used for personal, family, household, or agricultural purposes.

4. Borrower waives presentment, demand, notice of dishonor, and protest of this Note.

VII. PREPAYMENT

Borrower may prepay this note in whole or in part at any time without penalty, however, any prepayment shall be applied first to the remotely occurring obligation hereunder.

I. TERMS OF PAYMENT

FOR VALUE RECEIVED, the undersigned (each individually and all collectively hereinafter called the "Borrower") promises to pay to the order of NEW ENGLAND SAVINGS BANK, a banking corporation having an office at 63 Eugene O'Neill Drive, New London, Connecticut 06320 (hereinafter called the "Bank"); (the Bank and other payee, holder, purchase, or assignee of this Note are hereinafter referred to as the "Holder"), at any of its offices, the sum of ONE MILLION SEVEN HUNDRED SEVENTY-TWO THOUSAND (\$1,772,000.00) DOLLARS (hereinafter referred to as the "principal"), with interest from the date hereof on the unpaid balance, until paid, at the rate set forth below, together with all taxes levied or assessed upon the sum against the Holder of this Note, all costs of collection, including a reasonable attorneys' fee incurred in any action for collection of this Note, protection of the Mortgage securing this Note or enforcing the terms of this Note and/or the Commercial Loan Agreement.

Principal shall be payable in one hundred and thirteen (113) equal monthly installments of Fifteen Thousand Five Hundred Forty-Three and Eighty-Six One-Hundredths (\$15,543.86) Dollars on the first day of each and every month commencing October 1, 1990. A final principal payment shall be payable in the amount of Fifteen Thousand Five Hundred Forty-Three and Eighty-Two One-Hundredths (\$15,543.82) Dollars on March 1, 2000. Together with each monthly principal payment, Borrower shall also pay interest on the outstanding principal, monthly in arrears, at the rate set forth below.

If not sooner paid, the entire amount of all principal and interest under this Note shall be fully due and payable on March 1, 2000, (hereinafter referred to as the "Due Date") subject to the provisions for acceleration of the due date for payment as herein provided.

The outstanding balance of this Note shall bear interest from the date hereof until the Due Date, or until earlier paid, whether by acceleration or otherwise, at a variable interest rate always equal to one (1%) percentage point in excess of the Prime Rate (as hereinafter defined) on a floating basis. The term, "Prime Rate", shall mean the prime rate of interest of Citibank, New York, as announced from time to time by said Citibank; provided, however, that if the aforesaid prime rate

Exhibit B

of Citibank shall be discontinued or for any other reason shall not be available for determining the Bank's Prime Rate, the Holder shall select a substitute method for determining the Bank's Prime Rate and shall notify Borrower of such selection, which method shall, in Holder's estimation, yield results substantially similar to those that would have been yielded if the aforesaid prime rate of said Citibank were still available for such purpose. This Note shall bear interest at an initial rate of eleven percent (11.00%) per annum; accrued interest shall be paid monthly in arrears on the first day of each month commencing October 1, 1990. Each payment shall be applied first to the payment of interest on the unpaid balance of the principal at the rate herein provided and thereafter to the principal. Interest shall be computed on the basis of a 360-day year for the actual number of days elapsed on all sums advanced hereunder until such sums are fully paid.

If any payment of interest and/or principal is not received by Bank by the tenth (10th) day of the month, Borrower shall pay a late charge of five (5%) percent of the monthly overdue payment. In the event of any default, the interest rate on this Note shall increase by two (2%) percent over the rate then in effect on the date of default, on a floating basis, during the term of the default, which rate shall be applicable in the event of the entry of any judgment upon the Note or a judgment of foreclosure of the mortgage.

II. SECURITY INTEREST

1. The Holder hereof shall have a lien on, a security interest in, and during the existence of an Event of Default (as hereinafter defined), an option to set off, all deposits of the Borrower as allowed by law, at any time, in any checking, savings, or other account with Holder, in any order, against the indebtedness, without prior demand or notice, regardless of the adequacy of any collateral securing all or part of the indebtedness, and without resort to any legal process or judicial proceedings, or other authorization.

III. EVENTS OF DEFAULT; ACCELERATION

Upon failure to make any payment within ten (10) days of the due date thereof, or upon failure to perform any other obligation of the Borrower to the Holder under any instrument or document evidencing, governing or securing this Note or in the payment or performance of any other obligation whether evidenced by any agreement or instrument or otherwise, or in the event of any proceedings being instituted by or against the Borrower under any laws relating to bankruptcy, insolvency,

receivership, - arrangements with creditors (each of which is hereinafter called an "Event of Default"), or in the event that title or any interest in the premises mortgaged to secure the indebtedness is transferred to anyone other than the Borrower hereunder, thereupon, or at any time thereafter (such default not having previously been cured), the Holder may, without notice or demand, declare the indebtedness to be immediately due and payable. Failure to exercise such option shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

IV. NON-WAIVER BY HOLDER; SEVERABILITY

No modification or amendment hereof shall be effective unless in writing. No extension of time for payment, delay in enforcement hereof, nor any renewal of this Note, whether with or without notice, shall operate as a waiver of any rights hereunder or release or alter the obligations of the Borrower. No failure by Holder to enforce any of its rights hereunder or partial enforcement thereof, shall constitute a waiver thereof, or preclude the subsequent enforcement of such rights in the same or similar circumstances.

In the event that any provision hereof shall be found to be invalid or unenforceable under applicable law, such provision shall be invalid or unenforceable only to that extent and such invalidity or unenforceability shall not affect the remaining provisions of this Note.

V. JOINT AND SEVERAL OBLIGATION

This Note and all obligations hereunder shall be the joint and several obligations of all makers, and each provision hereof shall apply to each and all jointly and severally.

VI. COMMERCIAL TRANSACTION; WAIVER BY BORROWER

2. Borrower represents and warrants to the Holder that all proceeds of this loan are to be used for commercial purposes, and none of such proceeds shall be used for personal, family, household, or agricultural purposes.

3. Borrower expressly waives all rights under Chapter 903a of the Connecticut General Statutes to any notice or hearing prior to the obtaining by Holder of any prejudgment remedy in connection with this Note, including, without

limitation, garnishment, attachment, or sequestration against any property owned or possessed by Borrower.

4. Borrower waives presentment, demand, notice of dishonor, and protest of this Note.

VII. PREPAYMENT

Borrower may prepay this note in whole or in part at any time without penalty, however, any prepayment shall be applied first to the remotely occurring obligation hereunder.

JOINT AND SEVERAL GUARANTY

Agreement dated this 13th day of September, 1990 by CHRISTOPHER McLAUGHLIN of Stonington, Connecticut, NORTHEASTERN ENTERPRISES, INC., a Connecticut corporation having an office in Griswold, Connecticut and SONECO SERVICE, INC., a Connecticut corporation having an office in Groton, Connecticut (all of them being hereinafter called collectively the "Guarantors") in favor of NEW ENGLAND SAVINGS BANK, a bank organized and existing under the laws of the State of Connecticut with an office at 63 Eugene O'Neill Drive, New London, Connecticut 06320 (hereafter with its successors and assigns referred to as the "Bank").

W I T N E S S E T H:

WHEREAS, GRISWOLD SAND AND STONE, INC. (hereafter "Borrower") is a Connecticut corporation; and

WHEREAS, Borrower desires to borrow money from, and otherwise incur obligations to, the Bank; and

WHEREAS, the undersigned Christopher McLaughlin is a shareholder of Borrower; and Northeastern Enterprises, Inc. and Soneco Service, Inc. derive substantial business and/or revenues from the operation of Borrower; and the Guarantors acknowledge they will derive a direct and material financial benefit from or as a result of the transactions between the Bank and Borrower contemplated hereby.

NOW, THEREFORE, for valuable consideration, the receipt of which by the Guarantors is hereby acknowledged, and to induce the Bank to enter into such transactions, including without limitation a certain Note, Open-End Mortgage Deed and Assignment of Rents and Leases, Commercial Loan Agreement and Security Agreement from Borrower, of even date herewith (as the same may be amended from time to time, hereafter referred to as the "Loan Documents"), the Guarantors hereby covenant and agree as follows:

Section 1 - Definitions: Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Mortgage.

Section 2 - Guaranty: The Guarantors absolutely, unconditionally and irrevocably, jointly and severally, guarantee without deduction by reason of set-off, defense, or counterclaim:

(a) The prompt and full payment of any and all amounts now or hereafter payable by Borrower pursuant to the Loan Documents as and when the same shall become due and payable (whether on a

Exhibit C

date fixed for repayment, by acceleration or otherwise) in accordance with the respective terms thereof; and

(b) The prompt, full, faithful performance and discharge of all other obligations, undertakings and liabilities of Borrower under the Loan Documents in accordance with the respective terms thereof.

If Borrower shall fail to pay any such amount when and as the same shall be due and payable, or to perform and discharge any such obligation, undertaking or liability in accordance with the respective terms of the Loan Documents, each Guarantor shall be jointly and severally liable to forthwith pay an amount equal to any such amount or perform and discharge any such obligation, undertaking or liability, as the case may be, as is required to be paid, performed or discharged by Borrower, and will further pay any and all reasonable expenses, including attorneys' fees, that may be incurred by the Bank in enforcing such obligations and liabilities of Borrower and in enforcing the covenants and agreements of such Guarantor herein. The Guarantors shall be bound under the Joint and Several Guaranty to the Bank and any other holder, as if the Loan Documents were the primary obligation of Guarantors.

Section 3 - Continuing Nature of Guaranty: Each Guarantor shall remain jointly and severally, irrevocably and unconditionally liable as primary obligor until the full amount of the principal of the Note, with interest, and any other sums, now or hereafter due, or to become due thereunder, shall have been fully paid and the terms, covenants and conditions of the Loan Documents shall have been fully performed and observed by Borrower, and until all payments made by Borrower are not subject to rescission or repayment upon any bankruptcy, receivership, insolvency, moratorium or similar proceeding affecting the Borrower, notwithstanding any act, omission or thing which might otherwise operate as a legal or equitable discharge of Guarantor. If any payment made by Borrower to the Bank with respect to any obligations, undertakings and liabilities hereby guaranteed is recovered from, or repaid by, the Bank in whole or in part in any bankruptcy, insolvency or similar proceeding instituted by or against Borrower, this Guaranty shall continue to be fully applicable to such obligations, undertakings and liabilities to the same extent as though the payment so recovered or repaid had never been originally made on such liabilities.

Section 4 - Unconditional Character of Obligations of Guarantors: The obligations of each Guarantor hereunder shall be absolute, irrevocable, continuing and unconditional, irrespective of, and shall not be impaired, altered or affected

by the invalid y, irregularity or unenforceability of any provision of the Loan Documents or this Agreement; any compromise, alteration, amendment, modification, extension, or renewal thereof; the full or partial release of Borrower or any Guarantor; or other change of, or any waiver, consent or other action or failure to act in respect of, any of the terms, covenants, or conditions of any of the foregoing or any documents referred to therein; the recovery of any judgment against any person or any action to enforce the same; any impairment, substitution, exchanges, sale, or releases of all or any part of any Collateral, whether or not the same occurs in a commercially reasonable manner, or with or without notice to the Guarantor; any failure or delay in the enforcement of the obligations of Borrower under the Loan Documents; or any other circumstances which might otherwise constitute a legal or equitable defense or discharge of a guarantor or surety, or which might otherwise limit recourse against any Guarantor by the Bank, all of which are hereby waived. The liability of each Guarantor hereunder is direct and unconditional and may be enforced without requiring the Bank to first resort to any other right, remedy or security.

Section 5 - Right to Deal with Borrower: At any time and from time to time, without terminating, affecting or impairing the validity of this Agreement or the obligations of any Guarantor hereunder, the Bank may deal with Borrower in the same manner and as fully as if this Agreement did not exist and shall be entitled, among other things, to grant to Borrower such extension or extensions of time to perform, or to waive any obligation of Borrower to perform, any act or acts as may to the Bank seem advisable.

Section 6 - Guaranty Not Affected by Acts of Borrower: The validity of this Agreement, and the obligations of each Guarantor hereunder and the rights of the Bank to enforce the same by proceedings, whether by action at law, suit in equity or otherwise, shall not be terminated, affected or impaired by reason of the filing by or against Borrower of a petition under any bankruptcy or reorganization law or for the appointment of a receiver, trustee or liquidator of Borrower or the application of Borrower for a moratorium or for an arrangement with creditors or a material part hereof, or the making by Borrower of a general assignment for the benefit of creditors, or the taking of a general assignment for the benefit of creditors, or the taking by Borrower of any action for the purpose of effecting any of the foregoing, or any limitations placed on the liability of Borrower in any bankruptcy, reorganization or similar proceedings, or any assignment by the Bank or Borrower of any interest in the Loan Documents or any

of the collateral for the Note or other property, or any change in the identity, or the ownership of capital stock, of Borrower.

Section 7 - Guaranty Not Affected by Other Agreements: The covenants and agreements of each Guarantor in this Agreement shall not be terminated, affected or impaired by reason of the terms or provisions of any other agreement or agreements to which Borrower or any Guarantor shall be a party, and, notwithstanding any such terms or provisions, the obligations of each Guarantor shall be as herein expressed.

Section 8 - Certain Rights and Powers of the Bank: The Bank may proceed to protect and enforce any or all of its right under this Agreement by suit in equity, action at law or by other appropriate proceedings, whether for the specific performance of any covenants or agreements contained in the Loan Documents or this Agreement, or otherwise, or to take any action authorized or permitted under applicable law, and shall be entitled to require and enforce the performance of all acts and things required to be performed hereunder by each Guarantor immediately upon default of the Borrower, without any suit or action against the Borrower. Each and every remedy shall, to the extent permitted by law, be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity.

Section 9 - Subordination of Guarantors: Any debts, obligations, or claims of a Guarantor against Borrower arising from any source whatsoever, including without limitation, payments made by such Guarantor pursuant to the provisions of this Agreement, shall be in all respects subject and subordinate to the full and complete payment or performance and discharge, as the case may be, of the principal of and interest on the Note, and of all amounts, obligations, undertakings and liabilities the payment or performance and discharge of which are guaranteed by this Agreement, and no payment hereunder by a Guarantor shall give rise to any claim by such Guarantor against the Bank. No Guarantor shall have any right of subrogation, reimbursement, or indemnity whatsoever nor any right of recourse to security for debts and obligations of the Borrower to Bank unless and until all of said debts and obligations have been paid in full.

Section 10 - Financial Information: Each Guarantor represents and warrants that the financial statements to be delivered to the Bank pursuant to this Section 10 shall be true and correct in all respects when delivered. Each Guarantor shall furnish to the Bank personal financial statements within ninety (90) days of the end of each fiscal year of Borrower,

and upon request by the Bank shall furnish such additional personal financial information as the Bank may desire.

Section 11 - General Covenants of Guarantors:

(a) If the Borrower or any Guarantor should at any time become insolvent or make a general assignment, or if any petition in bankruptcy or any insolvency or reorganization proceedings shall be filed or commenced by, against or in respect of Borrower or any Guarantor, any and all obligations of each Guarantor shall, at your option, forthwith become due and payable without notice.

(b) The books and records of the Bank showing the account between it and the Borrower shall be admissible in any action or proceeding, shall be binding upon each Guarantor for the purpose of establishing the items and amounts therein set forth and shall constitute conclusive proof thereof.

(c) The death of any Guarantor shall not terminate this Guaranty as to such deceased and his estate or as to any other Guarantor and such Guaranty shall be immediately enforceable against the estate of any Guarantor.

(d) Each of the undersigned hereby gives the Bank a lien and right of setoff for all Borrower's Obligations upon and against the deposits, credits and property of each of the undersigned now or hereafter in the possession or control of or in transit to the Bank. The Bank may at any time apply the same or any part thereof to any of Borrower's Obligations, though unmatured, without notice and without first resorting to any other collateral.

(e) Each Guarantor waives: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default; and all other notices to which such Guarantor might otherwise be entitled.

Section 12 - Amendments: The terms of this Agreement may not be altered, modified, amended, supplemented or terminated in any manner whatsoever except by a written instrument signed by each party hereto.

Section 13 - Successors and Assigns: This Agreement shall be binding upon and shall inure to the benefit of each Guarantor, the Bank and their respective heirs, executors, administrators, representatives, and permitted successors and assigns.

Section 14 Applicable Law: This Agreement shall be governed by and construed in accordance with Connecticut law.

Section 15 - Counterparts: This Agreement may be executed, accepted and delivered in any number of counterparts, each of which shall be an original, but such counterparts shall together constitute but one and the same instrument.

Section 16 - Further Assurances: Each Guarantor hereby agrees to execute and deliver all such instruments and take all such action as may from time to time be reasonably requested in order fully to effectuate the purpose of this Agreement.

Section 17 - Notices: All notices, requests, demands and other communications required under this Agreement or in respect hereof (if any) shall be in writing and shall be effective upon either hand delivery or by deposit in the United States mail, by first-class certified mail, postage prepaid, to the parties addressed as follows:
